There are no translations available It looks like we have to add one more to our Top 10 NYC Hotel Openings List. We've just heard that The Andaz Wall Street will open January 2010. Yes! January! So exciting, we know. HotelChatter has spent the night at both the Andaz London and the Andaz West Hollywood and the crazysexycool experience of this new boutique brand from Hyatt has left us chomping at the bit for more locations to open up. And in just four months, we shall be able to experience Andaz on the East Coast. From to the hotel's website (yes, they even have a website!): The Andaz experience begins the moment a guest arrives at the hotel
